Physician Signature and Consent

Billing Disclaimer – All specialized testing is billed directly to the submitting institution. Tests sent to FISH/ISH Lab as well as molecular testing will be charged separately. If additional testing is being requested, a signed MSA is required from the submitting institution. Please review and complete MSA (pages 3-7) prior to submission.

My signature certifies that I have determined that the test(s) being ordered is medically necessary for the patient, certifies that the results of this test will inform the patient's ongoing treatment plan, and certifies that I am the patient's treating physician. I acknowledge that payment for any additional testing that is completed will be the responsibility of my institution if not covered by patient insurance.

**UPMC PRESBYTERIAN SHADYSIDE
CLINICAL LABORATORY SERVICES AGREEMENT**

This LABORATORY SERVICES AGREEMENT (“Agreement”) is dated this ____ day of _____, (the “Effective Date”) by and between UPMC Presbyterian Shadyside, a not-for-profit tax exempt Pennsylvania corporation, having a principal place of business at 200 Lothrop Street, Pittsburgh, PA 15213, acting in collaboration with affiliate University of Pittsburgh Physicians Department of Pathology, and the UPMC Clinical Lab Operations, collectively hereinafter “UPMC”, and _____ (“Facility”).

In consideration of the mutual covenants set forth herein, intending to be legally bound hereby, and for other good and valuable consideration, the parties hereto agree as follows:

1. **Services.** UPMC agrees to provide Services for Facility on an as-requested in writing basis and in accordance with all applicable federal, state and local laws, rules and regulations, as well as any applicable UPMC policies. Services shall include, but are not limited to, the tests and services set forth in Exhibit A as performed on patient samples (properly obtained with consent by Facility) to provide information for the diagnosis, preventions or treatment of a disease or medical condition. This Agreement may encompass payment of reference lab services previously provided at UPMC, where UPMC at the time of the services rendered was acting as a contract lab for the Facility.

All such tests shall be conducted within the timeframes set forth in Exhibit A and on a quality, professional basis consistent with applicable industry standards. UPMC and its employees shall maintain all required licenses. UPMC shall maintain current Clinical Laboratory Improvement Amendments (CLIA) accreditation. UPMC will also hold licensing from the Pennsylvania Department of Health (PA DOH).

2. **Fees.** For Services rendered hereunder, UPMC will bill Facility, and Facility agrees to reimburse UPMC at the rate set forth on the fee schedule found in Exhibit B as the current fees to be charged to Facility for such Services. No tests or services will be priced or offered below the fair market value. UPMC’s invoices are due and payable by Facility forty-five (45) days after receipt. All payments shall be remitted to UPMC at the following address:

UPMC Presbyterian Shadyside
P.O. Box 382007
Pittsburgh, PA 15250-8007

The Agreement begins on the date noted above (the “Effective Date”) and continues until the full negotiated agreed payment in Exhibit B is received by UPMC.

3. **Service Orders.** Every specimen must be sent to the laboratory consistent with industry standards, commercial carriers, and with the appropriate test requisition form, and billing contact information. Information regarding the availability of requisition forms and specimen handling instructions may be obtained by contacting the consulting physician directly.
4. **UPMC Responsibilities.** UPMC will be available to accept delivery of Samples to be tested at UPMC's designated receiving office between the hours of 9:00 a.m. and 5:00 p.m., Monday through Friday. Upon completion of the Services, UPMC will send a final report ("Report") to Facility via facsimile. Report will include at least the following: patient name, date of birth, date of collection, accession number, date of report(s), and name of test, test result, an interpretation of the result, and laboratory name and address. Depending on the specific test selected by Facility, the turnaround time can range from 7 business days to 14 business days.
5. **Facility Responsibilities.** Facility will deliver patient specimen material to be tested ("Material") to UPMC's designated receiving laboratory between the hours of 9:00 a.m. and 4:00 p.m., Monday through Friday, in a manner in compliance with UPMC's requirements and applicable legal requirements for such transport, as amended from time to time. As between the Parties, Facility is solely responsible for transporting Materials between the Parties and protecting against any unauthorized disclosures of protected health information while the Material is in transit (regardless of whether transfer mode is electronic or otherwise).
6. **Facility's Patient Care Responsibilities.** Nothing in this Agreement shall relieve the Facility of its responsibilities for the care of its patients, including Facility's use of test results or any other information provided to Facility by UPMC pertaining to the Services. UPMC has no responsibility or liability whatsoever for the above.
7. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania without regard to its conflicts of laws principles. This Agreement is the entire agreement between the Parties and supersedes any other oral or written communications, proposals, quotes, advertisements or understandings regarding the subject matter hereof. This Agreement may be amended only in writing, and only if signed prospectively by both authorized representatives of both Parties.

Facility agrees to and has executed this Agreement effective on the day and in the year first set forth above.
